

Salad bowl

product
design
award

2008

Material:

Styled in bone china porcelain with a raising centre
Diameter 230 mm x height 85 mm / diameter 300 mm x height 95 mm

Note:

Ultimate way of serving?

- The bowls are styled in bone china porcelain with a raising centre which with the translucent surface are suitable for oven, microwave and dishwasher.
- The raising centre has some extra advantage:
visually beautiful presentation of your salad
holding the salad serves without falling down
avoiding the salad to 'soak' in dressing or oil
easier mixing of your salad.
